FOREWORD

Lilya's Clarendon School and Lilya's Goldsmith School are both sites for Alternative Provision. Whilst neither site holds school status, they are often referred to as schools for the benefit of students.

1. INTRODUCTION AND AIMS

The role of the Quality Assurance Policy is to ensure all students receive the highest possible quality education throughout their time at The Lilya Lighthouse Education Trust (LLET). Through sharing, understanding and applying standards and expectations, our quality assurance will help to raise standards and levels of consistency across staff.

Rigorous and robust quality assurance gives confidence in teachers' judgements and provides assurances to students, parents and carers, and other stakeholders that all learners receive appropriate recognition for their achievements in line with agreed national standards and are at least progressing in line with expectations.

The main tool for monitoring what is happening in a curriculum or subject area is the Quality Assurance (QA) that leaders undertake. The QA serves to:

- Develop a deep understanding of teaching and learning within the school
- Develop a shared vision of every child in every classroom enabled to meet or exceed high standards
- Assist in "coaching" for improved practice
- Develop a learning community
- Aid reflection on professional practice
- Give new insights and understanding into school improvement

2. EXAM ARRANGEMENTS

We are dedicated to ensuring the effective management and administration of exams, placing the needs of our candidates at the forefront. This policy outlines our commitment to providing a structured, transparent, and supportive exam environment for all students.

Our key aims are to:

- Ensure that exam planning and administration are conducted in the best interests of the candidates, promoting fairness and accessibility
- Maintain a clear, efficient system for managing exams, with well-defined roles and expectations for both staff and pupils
- Adhere strictly to the guidance and regulations set by the Joint Council for Qualifications (JCQ) and various awarding bodies

Although LLET is not yet a registered exam centre, we are working in partnership with Nottingham College to facilitate access to a registered exam venue for our students. This partnership allows us to offer tailored support for students requiring access arrangements, such as providing a quiet exam setting with small candidate numbers to meet individual needs.

We aim to become an approved exam centre for candidates who may not be enrolled in a traditional school setting or lack access to suitable provisions. We are actively pursuing accreditation with the following examination bodies:

- AQA

- Pearson Edexcel

- OCR

Mica Coleman Jones, our designated Exams Officer, along with a link trustee, will ensure compliance with all awarding bodies' policies and procedures. All invigilators will be internal staff members, trained and prepared under the supervision of the Exams Officer to maintain a high standard of exam integrity.

6. ENTRIES (INCLUDING ENTRY DETAILS AND LATE ENTRIES)

It is the policy of this school that when a student begins a GCSE or other course in Year 10, there is an entitlement to an entry for the relevant examination, usually in Year 11. The non-entry of a student for the public examination at the end of the course should only happen in exceptional circumstances.

The decision for non-entry will be made in a formal process which involves the student, their parents/carers, the teacher, the SENDCO (if appropriate) and the head of provision.

Candidates or parents/carers can request a subject entry, change of entry, or withdrawal.

We do not accept entries from private candidates.

We will not act as an exams centre for other organisations.

Entry deadlines are circulated to staff via email, school calendar updates and staff briefings.

The Heads of department will provide estimated entry information to the exams officer to meet JCQ and awarding body deadlines.

Entries and amendments made after an awarding organisation's deadline require authorisation, in writing, by the Exam Officer.

Candidates or departments will not be charged for changes of tier, withdrawals made by the proper procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies.

The exams officer will publish the deadline for actions well in advance of each exam's series.

In line with the DFE's guidance on [charging for school activities](#)., we will not charge students to enter exams that we have prepared for them in school, nor for the re-sits of these exams if we have prepared for the re-sit at school.

There may be a charge applied for exams or re-sits that students have not been prepared for at school, exams that are not on the set list of prescribed public examinations. There may also be a charge for withdrawal from an exam (where charges would be applied by an exam board), if the parent/carer requests withdrawal.

We may waive fees in certain circumstances. If you would like to discuss waiving relevant fees, please contact the Exams Officer.

8. EQUALITIES

All our staff must ensure that they meet the requirements of any equality legislation.

We will comply with the legislation, including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies and JCQ. This is the responsibility of the Exams Officer and the SENDCO.

9. ACCESS ARRANGEMENTS

The SENDCO will inform subject teachers of candidates with special educational needs (SEN) and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENDCO, Becky Freely.

Ensuring there is appropriate evidence for a candidate's access arrangement is the responsibility of the teacher and the SENDCO.

Room arrangements for candidates using access arrangements will be organised by the Exams Officer.

Invigilation and support for candidates using access arrangements, as defined in the [JCQ access arrangements regulations,](#) will be organised by the Exams Officer and Lead Invigilator. Where candidates sit their examinations in a smaller environment away from the main examination room (the suitability of which is to be assessed in conjunction with JCQ guidelines).

9.1 USE OF WORD PROCESSORS

We may allocate the use of a word processor to a candidate as part of access arrangements or as a reasonable adjustment where appropriate, including:

- When it is their normal way of working, i.e. where the curriculum is delivered electronically and word processors are provided to all candidates.
- If they need support with handwriting
- If they have a:

    - Physical disability

    - Learning difficulty that has a substantial and long-term adverse effect on their ability to write legibly

    - Medical condition

    - Sensory needs

The above is not an exhaustive list.

The SENCO will use their judgement, in collaboration with relevant members of staff where necessary, to make decisions about when a word processor is appropriate outside the specific listed examples above.

We will make sure that:

- The proposed arrangement will not disadvantage or advantage a candidate.
- The use of a word processor will not compromise the assessment objectives or the integrity of the assessment and will be used under secure conditions. Where these objectives would be compromised, then a word processor will not be granted for use by a candidate

We will also make sure that the word processor:

- Has the spelling and grammar check and predictive text software disabled

- Does not have internet connectivity during the exam

- Has been cleared of any previously stored data, along with any portable storage medium used (and where any authorised memory stick is provided to or used by the candidate, the memory stick will be cleared of any previously stored data)

- Does not allow access to other applications such as a calculator (where prohibited), spreadsheets or emails

- Does not have graphic packages or computer-aided design software, unless permission is given

- Does not have computer reading (text to speech) software, unless the candidate has permission

- Does not have speech recognition technology, unless the candidate has permission

The word processor will not be used on the candidate's behalf by a third party unless the candidate has permission to use a scribe.

All equipment will be checked to make sure it's in working order and sufficiently charged for the duration of the examination.

Candidates provided with the use of a word processor will be accommodated in such a way that other candidates are not disturbed and cannot read the screen. Where we accommodate a candidate in another room, a separate invigilator will be present.

Candidates will be:

- Reminded to make sure that the centre number, candidate number and the unit/component code appear on each page as a header or footer, or to handwrite their details on the printed documents where this feature is not available (where the candidate needs to handwrite their details, they will be supervised to make sure that's solely what they're doing and not re-reading their answers or amending their work in any way)

- Reminded to save their work at regular intervals, unless 'autosave' has been set up on the device to make sure that the candidate's work is not lost because of a technical issue

- Advised to use a minimum font size of 12pt and double spacing

Each page of the typed script will be numbered.

The word processor will be connected to a printer so that the script can be printed off and will be done once the examination is over. The candidate must be present to verify that the work is their own and then the script will be attached to any answer booklet that contains some of the answers. We may also be required by the awarding body to include a word processor cover sheet with the candidate's typed script.

We may retain electronic copies of a word-processed script and this may be accepted by an awarding body where the printed copy has been lost and it is demonstrated that the file has been kept securely.

10. CONTINGENCY PLANNING

Contingency planning for exam administration is the responsibility of the Exams Officer and all centres must have a written examination contingency plan that which covers all aspects of examination administration, in accordance with JCQ guidelines.

All relevant centre staff must be familiar with the contingency plans, which are available via school server and are distributed via email and are in line with the guidance provided by Ofqual, JCQ and awarding organisations.

11. ESTIMATED GRADES

Heads of Subject departments are responsible for submitting estimated grades to the exams officer when requested.

12. MANAGING INVIGILATORS

External staff may be used to invigilate examinations. It will be the responsibility of the head of provision or another senior member of staff to ensure that a teacher, a teaching assistant, a tutor or a senior member of centre staff who teaches the subject being examined, or a Learning Support Assistant who has supported one or more candidates, is not an invigilator during the examination.

If external invigilators are recruited, then it is the responsibility of the Exams Officer/head of provision to ensure they follow safer recruitment process and to ensure that successful candidates receive thorough training on JCQ guidelines.

If invigilators require Disclosure and Barring Service (DBS) checks, the head of provision will be responsible for obtaining these. It is at the disclosure of LLET whether DBS fees are paid by us or not.

Invigilators rates of pay will be set by the head of provision.

Invigilators are recruited, timetabled, trained and briefed by the Exam Officer and Lead Invigilator.

13. MALPRACTICES

The head of provision, in consultation with the Exams Officer, is responsible for ensuring that suspected malpractice is thoroughly investigated. Malpractice doesn't necessarily involve an intention to cheat or gain an unfair advantage. Examples of malpractice include, but are not limited to:

- Unauthorised use of a mobile phone or internet-enabled device in examinations
- Copying or allowing work to be copied
- Posting work on social media prior to an exam
- Collusion or working collaboratively

In any case of suspected malpractice, this will be reported and escalated within the provision and reported to the relevant awarding body.

14. EXAM DAYS

The exams officer will:

- Book all exam rooms (after liaising with other relevant users)
- Make question papers, exam stationery and materials available for the invigilator

Site management staff are responsible for setting up the allocated rooms and will be advised of requirements 14 days in advance.

The Lead invigilator and/or Exams Officer will start and finish all exams in accordance with JCQ guidelines.

Subject staff may be required to be present at the start of the exam to assist with identification of candidates. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with JCQ guidelines.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of subjects in accordance with JCQ's recommendations and no later than 3 hours after candidates have completed them.

After an exam, the exams officer will arrange for the safe dispatch of completed exam scripts to awarding bodies, working in conjunction with invigilators and support staff.

Emergency evacuation of the examination room will be outlined within the centre's exam contingency policy, which will be subject to inspection by the JCQ Centre Inspection Service.

In the event of an emergency, a full report of the incident must be produced and retained on file and any breach of question paper security or malpractice must be reported to the awarding body immediately.

15. CANDIDATES

The exams officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by the invigilators and/or Heads of department.

Our published rules on acceptable dress and behaviour always apply. Candidates' personal belongings remain their own responsibility, and we accept no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject.

This is particularly true of mobile phones and other electronic devices with text or digital facilities.

Any precluded items must not be taken into the exam room.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Officer.

The candidate must support any special consideration claim with appropriate evidence within 21 days of the exam.

The exams officer will make a special consideration application to the relevant awarding body within 14 days of the exam.

17. GCSE NON-EXAMINATION ASSESSMENTS

Teaching staff who deliver non-examination assessments will follow the correct specifications and the specification and instructions provided by the awarding body, or JCQ instructions for conducting non-examination assessments if appropriate.

It is the duty of heads of subject leads to ensure that all non-examination assessment is ready for dispatch at the correct time. The Exams Officer will assist by keeping a record of each dispatch, including the recipient details, and the date and time sent.

Marks for internally assessed work are provided to the exams office by subject leads and the exams officer will inform staff of the deadline date for appeals against internal assessments.

Any appeals will be dealt with in accordance with our internal appeals procedure document.

Link to internal appeals procedure here.

17.1 ARTIFICIAL INTELLIGENCE (AI)

Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard. LLET recognises that AI has many uses to help pupils learn, but may also lend itself to cheating and plagiarism.

Pupils may not use AI tools:

- During assessments, including internal and external assessments, and coursework
- To write their homework or class assignments, where AI-generated text is presented as their own work

Pupils may use AI tools:

- As a research tool to help them find out about new topics and ideas

- When specifically studying and discussing AI in schoolwork, for example in IT lessons or art homework about AI-generated images., all AI-generated content must be properly attributed

Where a student uses an AI tool, the pupil should retain a copy of the question(s) asked and the AI-generated responses. Students must submit this along with the assessment.

Staff should:

- Be aware that AI tools are still being developed and should use such tools with caution as they may provide inaccurate, inappropriate or biased content

- Make students aware of the risks of using AI tools and that they need to appropriately reference AI as a source of information to maintain the integrity of assessments

For more information on AI misuse, see guidance from JCQ on AI use in assessments. Any misuse of AI tools may be treated as malpractice.

18. RESULTS AND CERTIFICATES

Candidates will receive individual results slips on results days. These will be handed in person unless a pre-arrangement is made e.g. a student may be away on results day so may arrange for recorded delivery of results to their home address.

The results slip will be in the form of a centre-produced document.

Arrangements for the centre to be open on results days are made by the Exams Officer and Site Manager.

The provision of the necessary staff on results days is the responsibility of the Exams Officer.

Dates of results days each year will be publicised for all candidates through the school website, parent/carer newsletters and bulletins.

18.1 ENQUIRIES ABOUT RESULTS (EARS)

Enquiries about results (EARs) may be requested by centre staff or the candidate following the release of results.

A request for a re-mark or clerical check requires the written consent of the candidate. A request for a re-moderation of internally assessed work may be submitted without the consent of a group of candidates.

The cost of EARs will be paid by the provision.

The cost of EARs is set out in section 7 of this policy ('Exam fees').

All decisions about whether to make an application for an EAR will be made by subject leads; in conjunction with the head of provision.

If a candidate's request for an EAR is not supported, the candidate may appeal, and we will respond by following the process in our internal appeals procedure document.

All processing of EARs will be the responsibility of the head of provision, following the JCQ guidance.

18.2 ACCESS TO SCRIPTS (ATS)

After the release of results, candidates may ask subject staff to request the return of written exam papers within 21 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Applications for EARs cannot be submitted once an original script has been returned.

The Exams Officer is responsible for processing requests for ATS.

The cost of ATS will be paid by the centre.

The cost of ATS is set out in section 7 of this policy ('Exam fees').
